**Children Need
Boundaries**

"And you, fathers, do not provoke your children to wrath, but bring them up in the training and admonition of the Lord." (Eph. 6:4)

Dr. James Dobson reports the findings of an interesting study done on school children in his film series "Focus on the Family." He said, "A group of educators decided to remove the chain-link fences from around the school playgrounds. They believed the fences promoted feelings of confinement and restraint. The curious thing they noticed, however, was that as soon as the fences were removed, the children huddled in the center of the playground to play. Conclusion: Children need boundaries."

Friends, let us follow the inspired proverb: "Train up a child in the way he should go, and when he is old he will not depart from it." (Prov. 22:6)

Sandra L. Higgins

Sandra L. Higgins, age 61, of Mount Gilead, OH, and formerly of Danville, VA, passed away Saturday, February 25, 2023, at Grant Medical Center in Columbus.

On March 4, 1961, Sandra was born in Durham, NC, a daughter of the late Roy and Elaine (Smith) Lawson.

Sandra married the love of her life, Stephen M. "Steve" Higgins, on September 4, 2001, in Danville, VA. They shared the last 21 years together as husband and wife.

Flowers were a great love of Sandra's. She enjoyed taking care of all of her plants and flowers. She was also quite the farmer on the game "Hay Day" on her phone.

Sandra loved her family with all of her heart and was born to be a caretaker. Her grandchildren were her absolute pride and joy. She cherished every moment with them and enjoyed taking them shopping. She was a wonderful cook and nobody ever left her house hungry. Sandra was the best wife, mom and grandma.

Left to cherish Sandra's memory are her husband, Steve, of Mount Gilead; two daughters: Rebecca (Andrew) Poland of Lexington, Ashley (Ryan) Burdine of Mansfield; 12 grandchildren: Mackenzie Flores, Kaitlyn Poland, Jayce Burdine, Tye Poland, Austin Burdine, Chesney Burdine, Axl Burdine, Elizabeth Aubrey, Timmy Higgins, Korbin Higgins, Dylan Higgins; a great granddaughter, Evie Rose Torres; two brothers: Johnny (Shannon) Lawson of VA, Marvin (Doris) Motley of VA; numerous nieces and nephews; and her Malchi canine companion, Stella.

In addition to her parents, she was preceded in death by a granddaughter, Addison Burdine; and five siblings: Mike Lawson, Steve Lawson, Susan Hopkins, Randy Lawson and Linda Milam.

Sandra's family will greet friends from 12 - 2 p.m. on Thursday, March 2, 2023, at the Snyder Funeral Homes, Mount Gilead Chapel, 67 N. Main St., Mount Gilead. Services to honor and celebrate her life will begin there at 2:00 p.m. with Celebrant Galen McLeod officiating. Burial will follow at Maple Grove Cemetery in Chesterville.

Snyder Funeral Homes of Mount Gilead are honored to have been chosen to serve Sandra's family. Special memories or condolences may be shared by visiting www.SnyderFuneralHomes.com.

Harold E. Baughman

Harold E. Baughman, age 98, of Mount Gilead, passed away peacefully at his home, Wednesday morning, February 15, 2023.

On October 26, 1924, Harold was born at home just outside of Chesterville, Ohio, a son of the late Robert Carl and Alta Blanche (Brown) Baughman. He graduated from Chesterville High School in the Class of 1942.

A World War II Veteran, Harold honorably served his country in the United States Army, where he did tours in Japan and the Philippines. He proudly wore his WWII Veteran hat everywhere. He was very excited to experience going on the Honor Flight a few years ago.

In his younger years, Harold worked as a farmer. He later took a job with the Ohio Department of Transportation and worked as a project supervisor for 28 years until his retirement in 1988.

A man of faith, Harold was a long time member of the Harmony Chapel United Methodist Church. He was also a member of VFW Post 8054 and Chester Lodge #238.

Harold loved working outdoors: mowing his lawn, working in his garden and cutting fire wood. He enjoyed the beauty of nature and wildlife, especially watching the ducks and geese on the pond.

Sitting and relaxing was not in Harold's nature, he had to always be doing something. He could build anything, do electric, plumbing and even built the house he resided at in 1952.

Harold never knew a stranger and would start a conversation with anyone, anywhere. He looked forward to his weekend breakfasts and story telling at McDonald's. Harold had a very active, sharp mind. He kept himself well informed and wasn't afraid to speak his mind and share his opinions.

Harold is survived by his wife of the last 19 years, L. "Jean" (Jenkins) Baughman and her family; a daughter, Kim Ward; and numerous extended family members.

In addition to his parents, he was preceded in death by his first wife, Ruth (Albright) Baughman, and a daughter, Carol Baughman.

Harold's family will greet friends from 12 - 2 p.m. on Tuesday, February 21, 2023, at the Snyder Funeral Homes, Mount Gilead Chapel, 67 N. Main St., Mount Gilead. Services to honor and celebrate his life will begin there at 2:00 p.m. with Pastor Mike Law officiating. Burial with military honors provided by the Active-Duty U.S. Army, VFW Post 8054 and AMVETS Post 87 will follow at Maple Grove Cemetery.

Memorial contributions in Harold's name may be made to Shriners Hospitals for Children.

Snyder Funeral Homes of Mount Gilead are honored to have been chosen to serve Harold's family. Special memories or condolences may be shared by visiting www.SnyderFuneralHomes.com.

(NAPS)—A fast, reliable Internet connection has become a critical part of our daily lives. From remote learning and working to networking and searching for jobs, Americans everywhere felt an online shift during COVID-19.

And, while the country gradually recovers from the pandemic, the collective need to stay connected remains stronger than ever.

Rural, low-income and tribal communities can stay connected for less with the Affordable Connectivity Program.

Enter the Affordable Connectivity Program (ACP).

ACP extends and makes permanent the Internet subsidy for families in need that began under the Emergency Broadband Benefit (EBB) program. Falling under the \$1.2T bipartisan Infrastructure Investment and Jobs Act, the ACP is part of a \$65 billion broadband Internet initiative designed to bring affordable or even free Internet service to families who qualify.

Eligible households can save up to \$30 a month, or up to \$75 if they reside on tribal lands.

So, who qualifies? Here's a glance at the different criteria from the FCC of which one or more is required:

- Household is at or below 200% of the Federal Poverty Guidelines.
- Participates in certain assistance programs, such as SNAP, Medicaid, Federal Public Housing Assistance, SSI, WIC, or Lifeline.
- Participates in tribal-specific programs, such as Bureau of Indian Affairs General Assistance, Tribal TANF, or Food Distribution Program on Indian Reservations.
- Participates in the National School Lunch or Breakfast Program, including through the USDA Community Eligibility Provision.
- Received a Federal Pell Grant during the current award year.
- Meets the eligibility criteria for a participating provider's existing low-income Internet program.
