She was a hope peddler and grace giver; a prayer warrior and caregiver and she gave glory to God in all she did and walked humbly with Him. She had a heart of gold and gave generously to her family, her friends and her neighbors. She delighted in her work at Whetstone serving those with special needs. She was a proud American and always wore red on Friday to show her support for the military, especially for her 3 grandchildren who are currently defending our country. Above all she took great pride in her family and was grateful to be a devoted mother and GG.

She is survived by her beloved children: Vickie (the late Richard) Rider, Heidi (Dan) Vitte, Noel (Colin) Coogan, April Van Romer, Tsawya Davis and Isakimi Offutt; 16 grandchildren; 25 great-grandchildren; sister, Renee Dennis; 4 great-grand dogs and numerous nieces, nephews and cousins.

Visitation will be Saturday April 1, 2023 at Snyder Funeral Homes, Craven Chapel 67 North Main St., Mt Gilead from 10AM to 12Noon; funeral service will follow at 12Noon with Pastor Ron Ellyson officiating; burial will be in Gilead Friends/Quaker Cemetery.

If desired, donations may be made to the Salvation Army.

AT HIS FEET CHRISTIAN CENTER
 A wonderful song of praise proclaims, "Living He loved me / dying He saved me / buried He carried my sins far away / rising He justified, freely forever / one day He's coming / Oh glorious day!"
 Dear reader, please consider the powerful truth that is contained in that single chorus! Jesus came because of us! He laid down His life because of us! He conquered sin and death for us, and made us right with God...and He is coming back for us!
 Regardless of how life starts out, or how badly we mess it up... there is HOPE! God the Father loved us so much, even in our state of rebellion and sin, that He sent His precious Son, to pay the penalty for that sin, so that we could be restored to full fellowship with Him! (John 3:16)
 He didn't stop there! He has given us the grace (power) to live life to the fullest! Free from our old sinful ways. Free from fear and torment. Free to love, forgive and minister to others this same GOOD NEWS!
 He's done it all...it's up to us to receive this amazing gift of salvation and redemption! Say yes to Jesus, today...receiving by faith all that He has done for you...and know that this is the first day of the rest of your life eternal with Him!
 An important source of strength and encouragement in the life of a Christian is a church home! We would love to invite you to come visit ours. We are not perfect, yet, but Jesus will complete the work He has started! As we all learn and grow in the love of God, we can overcome every obstacle, together, in Christ!
 Come join us this Sunday, as we celebrate the fact that **JESUS IS ALIVE!!!**
 Love,
 Pastor Art & Angela Wooddell and Congregation

JoAnne Kelly

JoAnne Kelly, age 91, of Edison, passed away Thursday, March 23, 2023, under the watchful care of Marion Pointe Nursing Home as well as Capital City Hospice. She was born on June 14, 1931.

JoAnne was a graduate of Edison High School. She always liked to say "There were seven in her graduating class." She attended business school in Columbus, Ohio, and worked at HPM in Mt. Gilead, Ohio, as did her father and several other family members. JoAnne also loved driving school bus for the Edison-Mt. Gilead School District.

JoAnne was a member of Boundary United Methodist Church. Additionally, JoAnne was a member of the Pythian Sisters and Farm Bureau Council. She excelled in many sports, such as baseball, basketball, bowling, and golf. She was quite competitive and performed well at the senior Olympics.

JoAnne enjoyed life and had a "can do" spirit. She took great pride in keeping her home in good shape. She could easily please her family when she would pick apples from her trees and prepare her mouth-watering apple pie. She worked many hours in the garden and enjoyed canning the fruits of her labor. JoAnne and her husband always looked forward to their annual winter stay in Florida.

JoAnne will be greatly missed by her three children and their spouses: Douglas (Karen) Long, of Euclid, Ohio, Debbie (Mike) Traub, of Lexington, South Carolina, and Kevin (Sally) Kelly of Marion, Ohio; four grandchildren: Danny (Katherine), Erin (Brian), Kelly (Brad), Kurt (Becky); and eleven great-grandchildren.

JoAnne was preceded in death by her first husband, Harold Long, and second husband, Harold Kelly; her parents, William and Evelyn Mosier; her brother, Don Mosier; her sister, Betty Postlethwaite; and an infant great granddaughter, Evelyn Davidson.

JoAnne's husband, Harold Kelly, had three children from a former marriage: Karen (Steve) Swan, Joyce Berg, David (Susan, deceased) Kelly, and their children and grandchildren. JoAnne always looked forward to their visits and time spent together.

Her Family will greet friends from 10:30 a.m. to 12:00 p.m. on Wednesday, March 29, 2023, at the Snyder Funeral Homes, Mount Gilead Chapel, 67 N. Main St., Mt. Gilead. Services celebrating her life and homegoing will begin there at 12:00 p.m. with Pastor Brian Martin officiating. Burial will follow at Glendale Cemetery in Cardington.

Memorial contributions may be made to The Boundary United Methodist Church and/or St. Jude's, and may be sent in the care of Snyder Funeral Homes.

Snyder Funeral Homes of Mount Gilead are honored to have been chosen to serve JoAnne's family, and your special memories or condolences may be shared with them by visiting www.SnyderFuneralHomes.com.

Keeping It Great To Be A Kid

(NAPS)—In these uncertain times, kids need music more than ever. Anyone who has ever seen toddlers naturally sway and bob to music, knows that children feel music—and that music and kids go together like macaroni and cheese. Studies also show that music can help the very young deal with stress and turn around their emotions like nothing else.

Tunes For Toddlers

To that end, Walt Disney Records' most successful lullaby album artist and producer, Grammy nominee Fred Mollin,

Fun Songs About Life and Living

FRED MOLLIN
(with his Friends)

Composer Fred Mollin and a young friend celebrate in song why it's great to be a kid—and a new album means your children can too.

lin, created "It's Great To Be a Kid," a new album of heartwarming, fun original songs for kids ages 1 through 6. These songs take children on a musical expedition highlighting the beautiful things in life, reminding them how much joy there is to look forward to in their young lives at a time when they need it most.

The songs evoke the simple pleasures of being young, driving in a car, walking and seeing the beauty of nature, playing with friends, dancing to an upbeat song, the joy of food and even the fun of helping tidy up the house. Three interactive Bonus Tracks are versions that leave key moments blank during the songs, for children to join in.

HOT WEATHER, DEADLY FOR DOGS

Hot weather, inside or out, in the house or in the car - can be deadly for dogs. All dog, whether Mexican Chihuahuas or Eskimo Malamutes, are heat intolerant. Every year dogs will die from the heat - in Brownsville, Texas and in Bangor, Maine. Well, maybe not in Bangor. I'm certain your dog's veterinarian can relate horror stories of heat induced death of dogs they see every year. And this is a terrible way to die.

All dogs developed from Northern European or Northern Asian Wolves. Yes, even Chihuahuas. Dogs can't tolerate excessive heat and humidity, especially when confined in a car, on a chain or in a hot room. When I was in veterinary practice i was called to see a young Husky that had been confined under a shade tree. The owners had tried to do everything right: shade, water and food. However in their absence, the sun and shade had moved and the water dish knocked over. The dog was dead.

You farm animal and livestock owners, this applies to their situation too - Shade, water, air.

Heat stroke is difficult to treat, often expensive and usually unsuccessful. So, during these hot summer months confine your dog or dogs (as well as all animals) in shady areas where the air can move and there is plenty of water to drink. Do not leave dogs OR CHILDREN confined in a car. That will kill them! And don't forget your dog's heartworm preventive.
