Eye Care America

Untreated Vision Loss Can Speed Cognitive Decline

(NAPS)—There's a reason you shouldn't skip your routine eye exam—and many people don't even know about it. A growing body of research shows that vision loss can affect how well your brain works. The most recent study found that people who scored poorly on vision tests were more likely to suffer from deficits in memory, language and the ability to identify and locate objects in space. To protect your brain, get an eye exam to make sure correctable vision problems are detected and treated. The American Academy of Ophthalmology recommends all adults receive a comprehensive eye exam by age 40, and every year or two after age 65.

Why Check Your Eyes
Here are three more reasons to get your eyes examined:

1. The leading causes of blindness—including glaucoma and age-related macular degeneration—can begin without any noticeable symptoms. The best way to protect your vision is to see an ophthalmologist, a physician who specializes in medical and surgical eye care.
2. Seeing an ophthalmologist can improve your overall health. Blood vessels and nerves in your eyes are reflective of the rest of your body. Ophthalmologists are sometimes the first to diagnose systemic diseases, such as diabetes, multiple sclerosis or vitamin deficiencies. For example, when David Hibler, Sr. went to get his eyes checked, his ophthalmologist detected signs of a blood clot just by looking into his eyes. Seeing

Getting a thorough eye exam can solve some surprising health matters for many people.

an ophthalmologist helped save Hibler's life, as it led him to get appropriate medical attention to avoid a potential stroke.

3. Some adults shouldn't wait until they are 40 to have a complete eye exam. See an ophthalmologist now if you have an eye disease or risk factors such as:

- diabetes
- high blood pressure
- family history of eye disease.

EyeCare America Can Help
If the cost of an eye exam is a concern, the American Academy of Ophthalmology's EyeCare America program may be able to help. This national public service program provides eye care through volunteer ophthalmologists for eligible seniors 65 and older and those at increased risk for eye disease.

Leonard G. "Len" Robinson, age 72, of Cardington, passed away Monday, April 17, 2023, at Morrow County Hospital. He was born on April 29, 1950, in Marion, Ohio, to the late Jasper F. and Edith (Martin) Robinson.

Len was a graduate of Canoga Park High School, Class of 1968. He then graduated in 1972 from New Mexico State University Engineering School. After graduation, Len worked as an Engineering Manager for Halliburton Industry on an offshore drilling rig and later for BIF. In 1989 he moved his family to PA to work for General Signal Corporation, and in 1997 they moved to Chagrin Falls. Wanting to be near family, Len ventured out and moved his family to Cardington, Ohio, in 1999. He took a position with AEP, from which he retired in 2019. Len was the Cardington Township Zoning Inspector for the last 15 years and a member of the Regional Planning Commission.

Len was a gentle giant, a loving husband, a devoted father, and a friend to everyone he met, and he willingly shared the fruits of his hobbies with family and friends. He especially enjoyed gardening, cooking, and winemaking. He was also an avid HAM radio enthusiast.

On May 2, 1987, Len married Adrienne (Parraco), who survives in Cardington.

Len is also survived by his children, James "Mack" (Jasmin Perez) Robinson, daughter Caitlin (Jeff) Radovan, his sister-in-law Bonnie and nephew Kyle.

In addition to his parents, Len was preceded in death by his brother, James Robinson.

A celebration of life for Len will be held Sunday, April 23, 2023, from 4:00 - 6:00 PM at Gompf Funeral Home, 440 Center Street, Cardington.

William J. Helmbold, age 75 of Mount Gilead, died on Friday, April 21, 2023, at the Galion Point Nursing Home. He was born on September 6, 1947, in Trenton, New Jersey to the late Joseph & Sarah Helmbold.

After graduation from high school, Bill went on to serve his country honorably in the United States Navy. He was self-employed as a Carpenter and had worked on many construction jobs over the years.

Bill enjoyed hunting, fishing, and playing pool in his spare time. He also enjoyed singing Karaoke and often could be found on the dance floor with the love of his life, Gloria MacMichael. Bill also enjoyed working on cars and could fix almost any issue, he also liked to box in his younger years as well as watching it professionally on TV. He was the biggest Philadelphia Eagles fan and would take any opportunity he could to watch them play. Above all else, Bill was a great man. He loved taking care of people and would do anything he could to help them out.

Bill is survived by his companion of 42 years, Gloria MacMichael of Bucyrus; three stepchildren: Jimmy (Kim) Forbis of Larue, Tony (Mandy) Forbis of Iberia, and Pam MacMichael of Bucyrus; two sisters: Gracie Brewster of Secklerville, NJ and Muriel Diaunzio of Gloucester, NJ; 9 grandchildren and 9 great-grandchildren.

In honoring Bill's wishes, no formal services will be held.

Those wishing to make a memorial contribution, if so desired, may be made to Gompf Funeral Home to assist the family with funeral expenses.

The Way God Trains Us

"My brethren, count it all joy when you fall into various trials, knowing that the testing of your faith produces patience. But let patience have its perfect work, that you may be perfect and complete, lacking nothing" (James 1:2-4).

We are often encouraged by thoughts of God giving us strength in times of weakness. But many struggle to understand how He accomplishes this for us. Does He part the clouds and tap us on top of the head, imparting some attribute to conquer human suffering? No, it's not that simple. What He does do is train us in order that we may possess the attribute. Consider the following quote:

"I asked for Strength, and God gave me Difficulties to make me strong. I asked for Wisdom, and God gave me Problems to solve. I asked for Prosperity, and God gave me a Brain and Muscle to work. I asked for Courage, and God gave me Danger to overcome. I asked for Love, and God gave me Troubled people to help. I asked for Favors, and God gave me Opportunities. I received nothing I wanted, but I received everything I needed" (Author Unknown).

"Have you not known? Have you not heard? The everlasting God, the LORD, the Creator of the ends of the earth, neither faints nor is weary. His understanding is unsearchable. He gives power to the weak, and to those who have no might He increases strength. Even the youths shall faint and be weary, and the young men shall utterly fall, but those who wait on the LORD shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint." (Isa. 40:28-31)
