# HOT WEATHER, DEADLY FOR DOGS

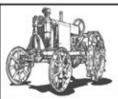

oemeyer.com

Hot weather, inside or out, in the house or in the car - can be deadly for dogs. All dog, whether Mexican Chihuahuas or Eskimo Malamutes, are heat intolerant. Every year dogs will die from the heat - in Brownsville, Texas and in Bangor, Maine. Well, maybe not in Bangor. I'm certain your dog's veterinarian can relate horror stories of heat induced death of dogs they see every year. And this is a terrible way to die.

All dogs developed from Northern European or Northern Asian Wolves. Yes, even Chihuahuas. Pogs can't tolerate excessive heat and humidity, especially when confined in a car, on a chain or in a hot room. When I was in veterinary practice i was called to see a young Husky that had been confined under a shade tree. The owners had tried to do everything right: shade, water and food. However in their absence, the sun and shade had moved and the water dish knocked over. The dog was dead.

You farm animal and livestock owners, this applies to their situation too - Shade, water, air.

Heat stroke is difficult to treat, often expensive and usually unsuccessful. So, during these hot summer months confine your dog or dogs (as well as all animals) in shady areas where the air can move and there is plenty of water to drink. Po not leave dogs OR CHILDREN confined in a car. That will kill them! And don't forget your dog's heartworm preventive.

# A SPECIAL THANK YOU

From the Morrow County Antique Tractor Association to everyone who in anyway made 2022 Farm Days such a huge success. Preserving the history of farming and farming equipment is important for future generations.

It was a fun filled show and the crowds were terrific. See you all again in 2023, it will be our 34th year.

On February 16, 1954, Rick was born in Columbus, Ohio, a son of the late Eugene and Betty Louise (VanMeter) Clark. He graduated from North High School in Columbus in 1972.

Following graduation, Rick enlisted in the United States Army and proudly served his country from 1972 - 1975.

Rick married April Joy Reams on April 19, 1980. They shared nearly 27 years and three children together before she preceded him in death on April 9, 2007. As a young man, Rick was a driver for Pepsi. He then worked 30+ years as a carpenter and foreman for Dominion Homes, from where he retired.

Rick loved football and was a huge Ohio State Buckeyes

willingness to help others. He had a wonderful sense of humor and he loved his family with all of his heart.
