**THANK YOU TO JIM & BILL**

The Morrow County Board of Elections would like to thank Jim Curts and Bill Curts for their 16 years of delivering voting machines to the polling locations. Since the implementation of new voting machines in 2006, they have been delivered to the precincts the day before an election and picked back up the day after the election. They also came in the office to set-up the machines for our Logic & Accuracy testing, which is done before each election. The voting machines are precinct specific and must be delivered to the correct precinct and put back at the Board of Elections in a specific order. Jim & Bill have been so dedicated in helping us with this election process at every election. We can only express how deeply appreciative we are for all these years. Both are like the energizer bunnies and never stop until the job is done. We will miss seeing you Jim & Bill before every election but know you will stop by to see us.

*Penny Porter, Director Morrow County Board of Elections*

**Melissa L. "Missy" Thompson**

Melissa L. "Missy" Thompson, age 55, of Mount Gilead, passed away Saturday, July 23, 2022, at The James Cancer Hospital and Solove Research Institute, following a brief battle with cancer.

She was born on April 28, 1967, in Delaware, OH, to the late George B. and Eloise M. (Hawkins) Stutler. Missy graduated from Buckeye Valley High School with the class of 1985.

Finding a second chance at true love; Missy married the man of her dreams, Brian E. C. Thompson, on August 4, 2012.

A hard worker, Missy has always been gainfully employed. She was fortunate to have worked at JEGS where she met the love of her life Brian. Her true passion for helping others was found when she began working for Apple. Missy held the title of Customer Service AHA 3C and worked in the world-wide accessibility support group. She truly loved helping people with disabilities understand and use their Apple product features to the fullest. This year Missy received the AppleCare Excellence Award in recognition for her outstanding performance.

Missy was a strong individual led to live a Christian life in everything she did. She was the past president of the Optimist Club in Delaware. Missy was always crafting and coming up with neat things for her family and friends such as custom t-shirts and such. She also loved taking care of her family by baking them all sorts of items. Her family was especially fond of her sweet potato pie. Missy often went out of her way to make special sugar free items for her husband. Determined to do anything, Missy was good at working on cars to being extremely tech savvy having even built her own computers. She enjoyed watching action and western movies and loved listening to all types of music.

In the words of her family, "She was such a beautiful person! She was always so quick to help anyone, especially her children. Missy had such a big heart. All the things she did she did it with love. She was a very independent person. She could make friends with anyone; she was such a social person. We'd like to remember Missy as a wonderful wife, best mother, and even better mamaw. Being a mamaw was her happy place. Being a Christian was another one of her best traits as she never judged you and she tried doing all her acts with just pure bliss. We could spend years upon years writing about the person she was and if you were fortunate to know her you are surly blessed."

Left to cherish her memory includes her husband, Brian; children: Jessica K. (Ryan) Price of Centerburg, Sierra M. Stevens of Delaware, Aaron M. (Abby Baer) Thompson of Mount Gilead, Taylor R. Garee of Mansfield, Maddisin L. Thompson of South Carolina, Melody R. Stevens of Mount Gilead, Garrett B.
